

# ELEMENTARY SPANISH ENRICHMENT NOW OFFERED!

## Capture the opportunity in your child's development!

- Research studies have indicated the benefits of introducing foreign language skills at an early age!
- Students at a young age absorb a foreign vocabulary as if they were learning new words in English. There is no translation factor - only absorption!
- Younger students have flexibility with their tongues enabling them to pronounce foreign words with proper enunciation and accentuation!

**SPANISH FOR THE ELEMENTARY YEARS** is an educationally oriented fun and interactive program designed specifically for the **K-4<sup>th</sup> grade elementary student**. The unique six-week curriculum features foundation vocabulary introduced through games, singing and hands-on activities. Students are able to compound words and begin forming simple sentences. Classes are never a repeat! **New vocabulary and activities are introduced with each session!** Returning students can continue expanding their vocabulary base and new students can begin building their vocabulary base. Our program uses a 5-year rotation of lesson plans! **New and returning students welcome**. Research studies have indicated the benefits of introducing foreign language skills at an early age! Join the fun!
