

# Sophomore Timeline

## September

### Welcome Back Sophomores

**STAY INVOLVED** – Continue to be involved with your school clubs, teams, and/or organizations

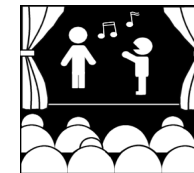

## October

**CONNECT WITH YOUR TEACHERS** – Stay after school for extra help.

**Make good choices with friends and social media.**

## November

### Focus on Academics

Try out for a winter sport or the musical.

## December

### Explore your interests

Stay Organized

## January

Retake Regents Exams if needed

**Challenge Yourself**

## February

Think about playing a Spring Sport.

Program planning for junior year.  
Consider AP Courses for junior year.

**Explore Electives**

## March

**Sophomore Year is 1/3 of your GPA**

Last 10 weeks of school

## April

Look to the FUTURE...

Summer is a great time to begin **exploring** interests that tie in with college and career goals.

Look into summer enrichment programs or volunteer. Use your talents and skills to help others.

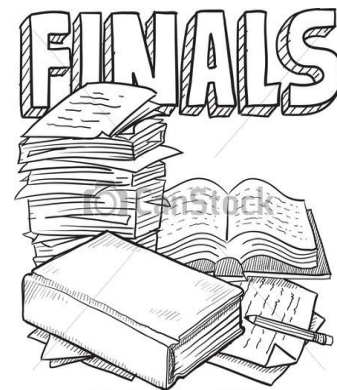

## May

Attend review classes after school.

Continue to work on your list to record your activities, awards and recognitions.

## June

**Regents Exams**

## July

**Enjoy!!**

## August

Do some early research. Visit local colleges. See the variety of large and small, private and public, as well as community colleges to get a feel for campus life.

Complete your summer reading!!
