## **Digital features of the Parent Portal**

The left-hand navigation pane shows what features are available at this time. Please begin by clicking on the district policy agreements and read through them.

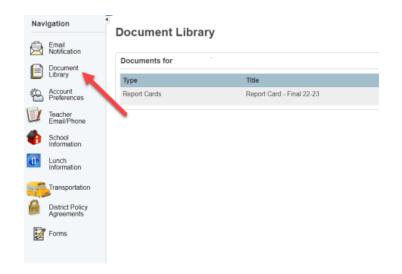

Once you have agreed to all policies, please look over your demographic information and make any changes then click submit in the lower right-hand corner.

## Available on August 29th will be:

My Schedule Grades and Attendance Transportation Food Service

**Document Library** is a secure repository where we send report cards and student login information directly to the parents/guardians without having to mail them home in the traditional manner.

**Account preferences** is where parents/guardians can update their email address and change their password. As well as add a new student to their account. *Parents/guardians will need to contact their child's school for the secure student information like Access ID and Access Password to add the student.*

**Please Note** ~ *ONLY* the parents/guardians of new students will receive this information (along with instructions on how to set it up) to their residence in the mail. As well as directions to a parent portal area on the district website with specific instructions on how to set up a new account.

**Teacher/Email Phone** is the area where you can find your student's specific teachers' contact information should you need it.

**Athletic Registration** is where students in grades 7-12 register online for sports.
