

West Seneca Central School District Office of the Superintendent of Schools

Summer 2025

Greetings!

As we wrap up an incredible school year, I would like to thank you amazing faculty and staff for their hard work and dedication to our students. I would also like to thank our parents, caregivers and residents for the continued support of our school district.

Throughout the summer, our administrators, clerical staff, cleaners, custodians, buildings & grounds staff and many others are working hard to ensure we are ready to welcome students back on September 2. We will continue to share information with families throughout the summer through our website, social media and email communications to families. Please feel free to reach out with any questions.

Below are some important items to be aware of. Additional information on these topics can be found within this newsletter.

- **Distraction-Free Learning Environment**
 - A New York State law will prohibit students from using their personal internet-enabled devices during the school day starting in September. Building principals will be communicating additional details on their building procedures to ensure devices are off and away for the day.
- **Raptor Visitor Management System**
 - Beginning this fall, all visitors entering the building during the school day will be required to present government issued identification, which will be processed through our Visitor Management System.
- **Reading Rover**
 - The Reading Rover will be out and about this summer, distributing free books to children throughout the West Seneca community. We hope to see you this summer, and to share our love of reading with the children of our community.

In closing, our school community of educators celebrated the graduating Class of 2025 in June. This milestone achievement is the result of years of the dedication of the students and their support systems. I would like to thank our dedicated faculty, staff, and administrators who support our students. To our parents and entire school community, thank you for your support of

our students and the West Seneca Central School District. We are so incredibly proud of the Class of 2025 and look forward to celebrating the accomplishments of the Class of 2026!

Sincerely,

A handwritten signature in blue ink that reads "Lisa". The signature is stylized with a large, looped 'L' and a cursive 'isa'.
