Kindergarten Home Learning Plan 2020

Dear Kindergarten Families,

Our school district has been closed for some time due to Covid-19 (Coronavirus). With this, you have been receiving learning resources from your child's Kindergarten teacher through various online tools. Our hope, as we move forward, is to create a central learning space where every student in Kindergarten has access to the same learning resources. This will help families to participate in activities and to support learning at home.

It is our hope that this will be a platform that can work for each family. We know at this time everyone has very different needs and our intention is not to provide extra cause of worry but to provide you with a guide to help support your child's learning at home.

We have included the steps to join our Kindergarten Google Classroom on the following pages.

Some things to keep in mind:

- We will post weekly learning resources that you can utilize at home.
- We will use Google Classroom to provide directions, activities and links. (Your child's teacher may still connect using their original classroom means of communication i.e. Teacher Webpage, Seesaw, Dojo, etc.)
- We are here to help you with this new learning platform. Please let us know if you have any questions.

Your Partners in Education,

The Kindergarten Team

The log-in used **MUST** be your child's West Seneca account. The username is the day of your child's birthday/first initial/last name @wscschools.org.
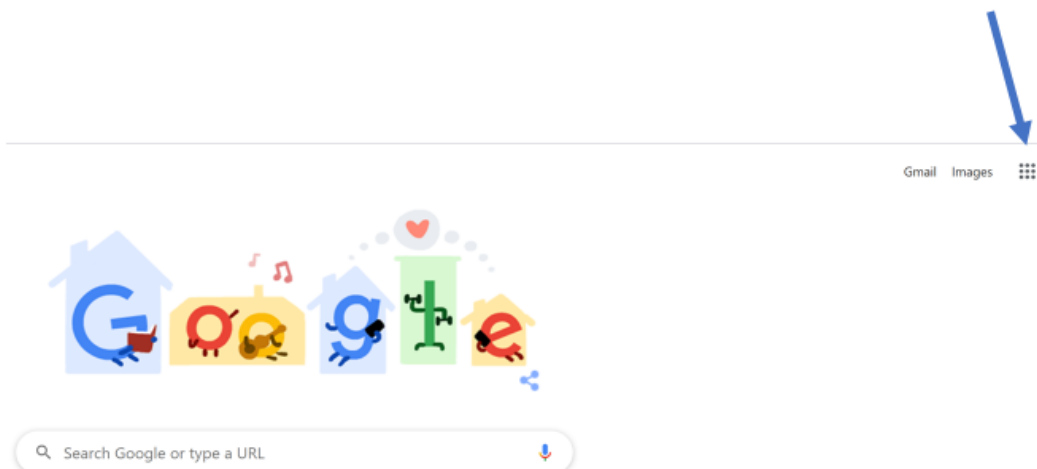

Ex. Name: John Smith

Birthday: 11/**03**/05   Username: <u>**03**jsmith@wscschools.org</u>

Your child's Kindergarten teacher will be contacting you regarding their password.
