Dear West Seneca Community:

I am extremely honored to be introducing myself as your new Principal at West Seneca East Middle School. As a former graduate of the West Seneca Central School District, I understand the proud roots that exist in our community and am very excited to be working for such wonderful students, families and staff members. Previously, I have served as the Assistant Principal at West Seneca West Middle School and as the District Facilitator of Professional Development. These roles have allowed me to build lasting relationships in our district and I am very much looking forward to continue serving our community in this new capacity.

The 2021-2022 school year promises to bring some exciting opportunities for our students and families. Our capital project is in full swing and is bringing healthy new upgrades to our facility. Additionally, our brand new Math and ELA Labs are up and running, along with bolstered Academic Intervention Services to help reinforce our students understanding of key learning concepts. These offerings, combined with the return of extracurricular activities has created an enlivened feel in our building!

I am also very excited to introduce to you our East Middle School Character Traits. Cultivating an atmosphere that provides our children opportunities to flourish on a daily basis, strengthens their character as individuals and improves overall performance in the classroom. The four Character Traits listed below, will be referenced throughout the school year as the guiding principles we utilize to help our students develop and grow into upstanding young citizens:

*E*mpathetic – *Showing an ability to understand and share the feeling of another*

*A*rticulate – *Having or showing the ability to speak fluently and coherently*

*S*tudious – *Diligent in the pursuit of learning*

*T*rustworthy – *Dependable and worthy of confidence*

I am very much looking forward to meeting all the members of our community in the near future. If you have any questions or would simply like to say hello, please feel free to email me directly at jmarchioli@wscschools.org or contact our team in the main office at 716-677-3530. Thank you and have a great school year!

Sincerely,

Jason Marchioli
