

# SOPHOMORE NEWS - CLASS OF 2023

## Program Planning/Scheduling

Students will request their courses for the 2021-2022 school year online through the parent portal during their English class on either February 5th or 8th. The portal will remain open for sophomores through February 9. ***Please be sure you are registered and active with our Parent Portal. Students can login to their student portal by using the same information as signing into their chromebook.*** This is a great way for you as a family to discuss your child's educational plan and be involved in their decisions.

Curriculum Handbook and Course Offerings: Students and parents can view course offerings and descriptions on our website for more information. The website is listed below. Teachers have made placement recommendations in the core subject areas that can also be viewed in the portal under recommendations.

Curriculum Guide: <https://www.wscschools.org/Page/12679>

\*Please keep in mind that elective courses are subject to change based on course enrollment and availability.

All course requests must be finalized by **June 1st**

West Seneca East is still offering clubs/activities virtually. College admissions representatives, scholarship committees and National Honor Societies look for students' involvement in a club, sport or organization. Joining an activity is also the time for students to build relationships with teachers, counselors, coaches, club advisors and volunteer coordinators. They will be a great resource for future letters of recommendation.

### WSE School Counselors

(716) 677-3310

Kelly Page (A-G)

[kpage@wscschools.org](mailto:kpage@wscschools.org)

Jill Smilinich (H-N)

[jsmilinich@wscschools.org](mailto:jsmilinich@wscschools.org)

Susie Clar (O-Z)

[sclar@wscschools.org](mailto:sclar@wscschools.org)

\*Students interested in attending specific BOCES vocational programs at Potters, Harkness or KenTon (*Animal Science, Auto Tech/Collision, Building Trades, Cosmetology, Culinary, Electrical Systems, Health Careers, Plumbing/AC, and Welding, etc.*) will need to make this request via the application on your Counselor's Google Classroom. Registration applications are due as soon as possible to secure a place in your program. Programs fill up quickly. The complete list of programs is on our website:
