Scheduling season is upon us! The School Counselors will be or have already joined into classes with your child to review the process and how to make their selections through the Student/Parent Portal. Student portals will be open at designated times for your child to view their recommendations made by their current teachers and make their course request selections. Below is some information regarding scheduling dates.

Grade Level	Student Portal Open	Classroom visits
Sophomores	completed	completed
Juniors	March 2-7	March 2-5
Freshman	March 18-23	March 18-19

Attention Juniors!

In order for a student to be accepted into most colleges, it is necessary to take either the SAT or the ACT exam. It is recommended that each student take the SAT at least twice and the ACT once. Students normally take the SAT/ACT in the spring of Junior year and/or the fall of their Senior year. You can go to www.collegeboard.org to register for the SAT and www.act.org to register for the ACT. Please see the following chart for administration dates and registration deadlines.
