Rho Kappa was established to promote scholarship and to recognize excellence among high school students. To encourage interest in, understanding of and appreciation for Social Studies. The other important component of this organization is to provide service to others.

The Ebenezer Chapter (East Senior) is proud and excited to offer the invitation to all Junior and Senior level students to be a part of this exciting organization that recognizes success in Social Studies. The goal of Rho Kappa is to promote the study of Social Studies, but to also promote the activities associated with the values of Social Studies such as citizenship, appreciation of the past and a sense of community.

Applications can be found on our website and are due to Mrs. Welgoss by October 26th

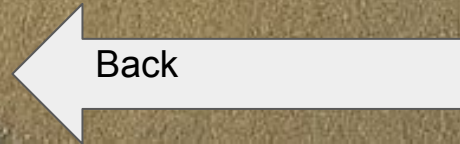

www.wscschools.org/eastsenior

The Fresh Start Mentoring Program is excited to push out monthly lessons about each of Stephen Covey's Habits of Highly Effective Teens. Junior and Senior mentors are creating video clips of themselves talking about how they use the habit in their everyday lives. Each new habit will be released monthly. Visit our website and watch for emails each month to learn about a new Habit! www.wscschools.org/eastsenior
