2025-2026

You aren't alone in your love of Anime!

The East Sr. Anime Club is a tight knit group of students who share a desire to learn about all things that have to do with Anime and Manga! We discuss the history of Anime and analyze their character development. We also watch clips of our favorite Anime shows and movies, read Manga, draw characters and learn to write in Japanese. We look forward to seeing you for a great year with the anime club!

ART CLUB

ART ROOM 121

The East Senior High School Art Club is a group of students who share a common interest in the creation of art. Art Club promotes imagination, creativity, and art production. We focus on materials and projects that are beyond what you would do in a regular art class. Students are able to experiment with various art materials in a personalized, open and exploratory manner.

Art Club provides activities for students of all levels of interests and abilities. You do not have to have any prior art experience to join the Art Club. This is an excellent opportunity for students to get involved and learn about different art techniques. We are here to learn and have fun!

MENTORING PROGRAM

Fresh Start Mentoring Program:(FSMP)is a leadership program designed to help 9th grade students transition from middle school to high school. Using the focus of Stephen Covey's 7 Habits of Highly Effective Teens, junior and senior level student mentors lead a monthly lesson to model positive behavior. Under this program, student mentors have the ability to use their service toward the completion of a leadership distinction at graduation. They can earn cords to wear at graduation that designate them as leaders in the East Senior community.

GARDEN CLUB

Advisor: Ms. Clark

The Garden Club helps maintain various projects in the school with a heavy focus on the East Senior courtyard which is centrally located on our campus and a nice focal point from classrooms, cafeterias and hallways. They can be found decorating the building for the various holidays including our feature of "The Hall of Trees" during the winter months. The Garden Club also maintains the indoor plants to help add beauty to our school corridors.

Model United Nations

High School

The Model United Nations is a social club at West Seneca East. Our club has been referred to in the past as the debate club, the discussion club, and/or the current events club, and all of these descriptions are correct. The U. N. Club meets about twice a month to discuss world events and global developments. The goal of the club is to understand the impact that issues have on us, our community, our country and our world. We spend much of our time preparing for a large United Nations simulation and competition that takes place every March at the University of Buffalo. Each year our club, as well as 50 + other schools in our area, choose a nation to study and role play at the annual competition. We also spend time researching and creating resolutions in an attempt to help solve many of the world's problems. We then debate with the other schools at the U.N. conference (field trip) the solutions that best solve the many problems our world faces. It is fun, informative, interesting and welcoming! We hope to see you at our meetings.

SCIENCE CLUB

Science Club provides extracurricular opportunities for students to learn more about science. Many of the club events involve Biology, but we explore elements of Physics, Chemistry, and Earth Science as well! It is the intent of the club to promote an interest in the sciences, both within and beyond the classroom. The club members may go on field trips to learn about our local environment, participate in environmental cleanup, listen to guest speakers, and learn about career opportunities. If there is a science experiment you are interested in exploring, this club is the perfect place for you! The club is open to all students. The club meets twice a month, typically after school on Tuesdays. Listen to the announcements to hear when meetings will be held and email Miss Cataldo about joining the Google Classroom.

Advisor: Mr. Boersch

The poster features a light green background with various scientific illustrations. On the left, there is a round-bottom flask containing blue liquid with red dots, and a green, branching microorganism with red and yellow spots. On the right, there is an Erlenmeyer flask with blue liquid and red dots, and another green, branching microorganism. In the center, the title 'SCIENCE HONOR SOCIETY' is written in large, bold, dark blue letters. Below the title, a yellow banner contains the text 'AN HONOR SOCIETY FOR THOSE WHO EXCEL AND HAVE A PASSION FOR SCIENCE'. Underneath the banner, the word 'ELIGIBILITY' is written in bold, dark blue letters, followed by a list of four bullet points. At the bottom, the word 'INTERESTED?' is written in bold, dark blue letters, followed by the email address 'EMAIL: MRS. GREEN MGREEN@WSCSCHOOLS.ORG &'.
