

Lukeys Legacy

2025

Luke was a funny, artistic and happy 10 year old boy.

Who

passed away suddenly on November 16, 2011 in his sleep. Luke passed of a rarely known and often undiagnosed disease called myocarditis. Luke was a 5th grade student at Allendale Elementary

School. Luke always had a smile on his face that could light up a

room. He made friends very easily and would do anything for those friends. Luke was a very active and athletic boy involved with hockey, soccer and baseball. There are still days that we forget he is gone but

if there is anything we have learned from Luke in his short 10 years, it's never give up and go big or go home.

To be eligible the applicant must meet the following criteria:

1. Be a current Senior at West Seneca East or West Seneca West Senior High School.
2. Accepted in a college or university beginning in September 2025

The applicant must submit a completed application form to **Amy Skowronski 50 Cheryl Drive West Seneca N.Y. 14224** by **March 13, 2025** accompanied by a short typewritten essay between 250 – 500 words.
