## ABOUT THIS SCHOLARSHIP

This scholarship is a one-time award of \$500.00 payable directly to the recipient to provide financial support for a qualified student who demonstrates a commitment to a career in the field of public service. Qualifying students should exhibit high moral values, strong work ethic, unwavering integrity and desire to give back to their community. These inspirational qualities were inculcated in Russell Harkleroad, a 35-year volunteer of the Vigilant Fire Company who retired as Head Custodian of the West Seneca West Middle School. Russell passed away in 2010; he worked hard to see this scholarship achieved. ## **FREQUENTLY ASKED QUESTIONS ON APPLICATION PROCESS**

### **How many scholarships are awarded?**

### **What is the amount of the scholarship?**

Each scholarship is in the amount of \$ 500.00, but subject to change.

### **Most scholarships go to the smartest kids in school, I do OK but I am far from being one of the smartest, do I have any chance?**

Grades and GPA will be strongly considered; but this scholarship is also weighted for a student with outstanding personal character attributes and a strong work ethic.

### **If I am the award recipient, what can I use the money for?**

There are many expenses involved in pursuing higher education, such as tuition, books, transportation to/from school, etc.; there are no requirements or strings attached to the scholarship – you may use it for whatever your needs are relative to your educational pursuit.

### **How is it decided who will be awarded the scholarship?**

The Vigilant Fire Company Scholarship Committee, consisting of at least three (3) members meet to review and evaluate each applicant.

### **What criteria will this committee use to evaluate the applicants?**

Using an established RUBRIC, the Scholarship will be awarded to a student who has exhibited scholastic achievement, high moral values, strong work ethic, unwavering integrity and a desire to give back to their community or country. Try to be clear and concise yet responding thoroughly to each criterion.

### **Can you advise what method the committee will use to evaluate the applicants?**

A confidential objective RUBRIC is used to help the committee select the most worthy applicant(s).

### **Will I be notified if I am selected or another person is awarded the scholarship?**

Yes, usually within 60 days of the deadline (2<sup>rd</sup> week in June).

### **Is financial hardship considered?**

There is some additional weight given to someone with financial need; however, this is not the sole basis for selection of the scholarship award recipient. If there is any financial need, it is recommended you explain this need on a separate sheet of paper (no proof other than your explanation is required).

### **Any other suggestions?**

The committee can only evaluate what was submitted; all facets regarding your education, work history, personal life or anything you believe is important - you are urged to include that information.
