

# Anti - Imperialists

- 1. Supporting an empire would be a financial burden.
- 2. The U.S. should concentrate its energies on solving problems at home.
- 3. Nonwhite people cannot be assimilated into American society.
- 4. An empire would involve the U.S. in more wars
- 5. It is a violation of democratic principles to annex land and not offer its people the same rights as those of U.S. citizens.
