Spectator Guidelines

- Attendance will be limited to two spectators (family only) per player.
- No spectators are permitted for indoor sports for the Fall 2020 season.
- Attendees will need to have their temperature taken before they are allowed to watch. They will also need to sign in next to the athlete's name on the roster. Rosters and pens will be provided and the sign in sheet must be returned to Dawn Emerson the next school day (interoffice mail or in person).
- Spectators must show an ECIC badge before being allowed entrance. All athletes will be given to ECIC badges for their families.
- Attendees must wear masks at all times except when standing with their families and are more than six feet away from a non family manner.
- Families must stand or sit at least six feet away from other families the entire contest. There will be visual cues on the ground at each site to make it easy for both families and supervisors to understand expectations.
- Building entry will not be allowed unless forced to by the athletes only due to Thunder and Lightning in the area.
