- 1) Per NYS Department of Health guidance, proper facial coverings are required for all participants, coaches, event staff, officials, and spectators.
- 2) Per NYS Department of Health guidance, facilities will be limited to two spectators per student-athlete. Please follow all social distancing procedures while maintaining six feet of physical distance between individuals.
- 3) All spectators must check-in at the main table before entering the athletic facilities. A Williamsville North staff member will only allow those individuals who present a valid ECIC credential to enter the facilities.
- 4) Signage has been posted throughout the athletic facilities to ensure all individuals in attendance follow all safety measures.
- 5) To reduce contact as much as possible, there will be no hand shaking, high fives, hugging, or fist bumps between opposing teams, coaches, and/or officials before and after games.
- 6) There will be no shared towels, clothing, shoes, or water bottles between any student-athletes, coaches, and officials. Please have your student-athletes bring their own water bottles.
- 7) Locker rooms are unavailable for use at this time. Please be sure your team comes dressed and prepared to participate in the contest.
- 8) Only necessary game and school personnel will be allowed in the press box, on the sidelines, at the scorer's tables, and on any part of the turf.
- 9) Rosters for opposing teams, including a list of any staff members traveling with the team, must be submitted to the Williamsville North Athletic Office prior to the game.
- 10) When traveling to and from away events, Williamsville North coaches and student-athletes will be screened and will wear appropriate facial coverings.
- 11) When traveling to Williamsville North for an athletic event, please ensure your coaches and student-athletes have been screened before arriving at our facilities. Any individual who presents a temperature greater than 100 degrees F will not be allowed entry into our facilities.
