

West Senior Concert Attire Requirements

In order to ensure a professional concert event it is important that we all dress uniformly; just like sports teams require uniforms. All students must wear professional concert performance attire. The following items are required and expected of all students for any performance:

Students will dress in professional concert black.

Acceptable Tops: Long sleeved black blouse, black dress shirt with buttons, black dress shirt with a collar, three quarter sleeved black blouse

Acceptable Bottoms: Black pants, black skirt (knee length or longer), black leggings are acceptable as long as a skirt is worn over top,

Socks: Black socks

Shoes: Black dress shoes (no sneakers, no high heels)

Also acceptable: Long black dress (knee length or longer)

Avoid: Strapless tops, spaghetti strap tops, athletic wear

(Please see second page for a helpful visual guide)

If you foresee an issue securing appropriate concert clothing before our first concert, please contact your music director as soon as possible and we will do what we can to help.
