WEST SENECA K-12 REGISTRATION

Welcome to the West Seneca Central School District!

We are looking forward to working with you as members of the West Seneca School community! The Board of Education, administration, teachers, and support staff are all committed to providing your student(s) with a high quality educational program in safe and secure schools. We encourage you to join us in fulfilling the District's Mission "to provide a diversified educational program that will produce literate, caring, ethical responsible, and productive citizens who are capable of adapting to change."

NEW STUDENT REGISTRATION

Please carefully complete this entire West Seneca Student Registration packet, and submit it to:

WSCSD Central Registration
1445 Center Rd, West Seneca NY 14224

Please contact Central Registration at (716) 677-3137 or by email at registration@wscschools.org to make an appointment.

Please see page 3 for information regarding Homeless Registration.

REQUIRED DOCUMENTATION

Pursuant to Regulations of the Commissioner of Education, the following documentation **must be** submitted for the District's consideration regarding your child's enrollment and/or residency.

The following items are required to complete the registration process:

- **Proof of Parent or Guardian's Identity (NYS Valid Driver's License, Passport, or Non-Driver's Identification Card)**
- **Proof of Residency and Supporting Documentation**
  - **ONE (1) Proof of Residency:**
    - Documentation of Purchase of Home in District: Town Tax Bill, Current Mortgage Statement, Current Signed Lease Agreement, HUD Papers or Closing Statement
    - If you do not have the residency documentation shown above please provide a Notarized Statement from your Landlord accompanied by their Proof of Ownership (Town Tax Bill, Mortgage Statement)
  - **TWO (2) additional proofs of Supporting Documentation which may include the following:**
    - Car registration, utility bill, bank statement, payroll stub, government benefit document
- **Child's Birth Certificate (Original with raised seal)**
- **Immunization Records signed by doctor, along with a current Physical. *Please refer to the Immunization Guide**
- **Last Report Card (If available)**
- DSS-2999 required at registration for a child in foster care
- Guardianship/Custody papers, Court Document papers signed by a judge (If applicable)
- Agency Counselor or Probation Officer's Name (If applicable)

For Students with a Disability

- **Provide a copy of the current IEP & psychological reports**
- **Social History form**
- **Consent IEP Amendment Meeting form**

NOTE TO SCHOOLS/Local Education Agency (LEA): Please assist students and families filling out this form.

ENROLLMENT FORM - RESIDENCY QUESTIONNAIRE

Name of LEA: _____

Name of School: _____

Name of Student: _____
Last First Middle

Gender: ☐ Male ☐ Female ☐ Other

Date of Birth: _____ /_____ /_____ Grade: _____ ID#: _____
Month Day Year *(preschool-12)* *(optional)*

Address: _____ Phone: _____

The answer you give below will help the district determine what services you or your child may be able to receive under the McKinney-Vento Act. Students who are protected under the McKinney-Vento Act are entitled to immediate enrollment in school even if they don't have the documents normally needed, such as proof of residency, school records, immunization records, or birth certificate. Students who are protected under the McKinney-Vento Act may also be entitled to free transportation and other services.

Where is the student currently living? (*Please check **one** box.*)

- ☐ In a shelter
- ☐ With another family or other person because of loss of housing or as a result of economic hardship (sometimes referred to as "doubled-up")
- ☐ In a hotel/motel
- ☐ In a car, park, bus, train, or campsite
- ☐ Other temporary living situation (Please describe): _____
- ☐ Migratory living in circumstances described above
- ☐ In permanent housing

_____ _____
Print name of Parent, Guardian, or Student (for unaccompanied homeless youth)

Signature of Parent, Guardian, or Student (for unaccompanied homeless youth)

_____
Date

If the student is **NOT** living in permanent housing, **proof of residency** and other documents normally needed for enrollment **are not required** and the **student is to be immediately enrolled**. **After** the student has been enrolled, the district/school must contact the previous district/school attended to request the student's educational records, including immunization records, and the enrolling district's LEA liaison must help the student get any other necessary documents or immunizations.

***NOTE TO SCHOOLS/LEAS*:** If the student is **NOT** living in permanent housing, please ensure that a Designation Form is completed.

NEW YORK STATE
MIGRANT EDUCATION PROGRAM

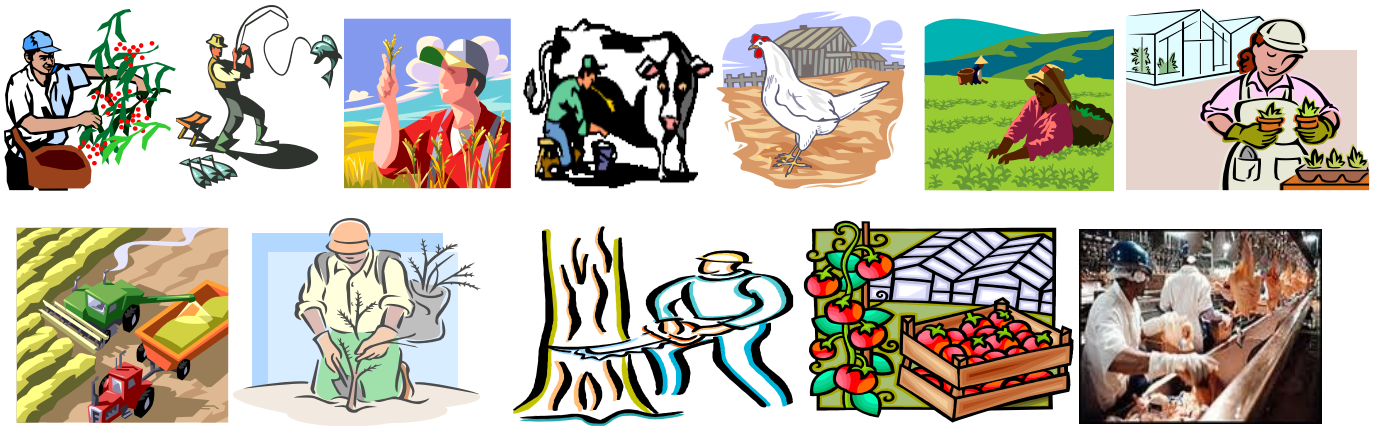
IDENTIFICATION & RECRUITMENT OFFICE PARENT SURVEY

The Migrant Education Program (MEP) is authorized by Title I, Part C of the Elementary and Secondary Education Act (ESEA). The MEP provides a variety of educational services to families who work in agriculture, **regardless of their nationality or legal status**. This program is **free of charge** to all eligible families and may include tutoring, free school lunch eligibility, educational field trips, summer programs, parent involvement activities, emergency needs and referrals to other services as needed.

Please take few minutes to complete this questionnaire.

Has anyone in your family worked or looked for work at the following occupations during the past 3 years?

- ☐ Any agricultural, farm, or fishing work (such as hay, dairy, fruit or vegetable crops, poultry, fishing, nursery/greenhouse, etc.)
- ☐ Work related to logging, harvesting, or initial processing of trees.
- ☐ Work at a food processing plant, (such as meat or poultry processing plants, packing fruits or vegetables, etc.)



If you answered YES, please provide your contact information below:

Parent/Guardian Name: _____

Home address: _____

Telephone number: (_____)-_____-_____ Best time to be reached: _____ AM/PM

Previous Address: _____

Student name: _____ Age _____Grade_____

Student name: _____ Age _____Grade_____

To submit this referral please fax to 607-436-3606, or by mail to NYS Migrant Education Program-Identification and Recruitment Office: 100 Saratoga Village Blvd, Suite 41, Ballston Spa, NY 12020.

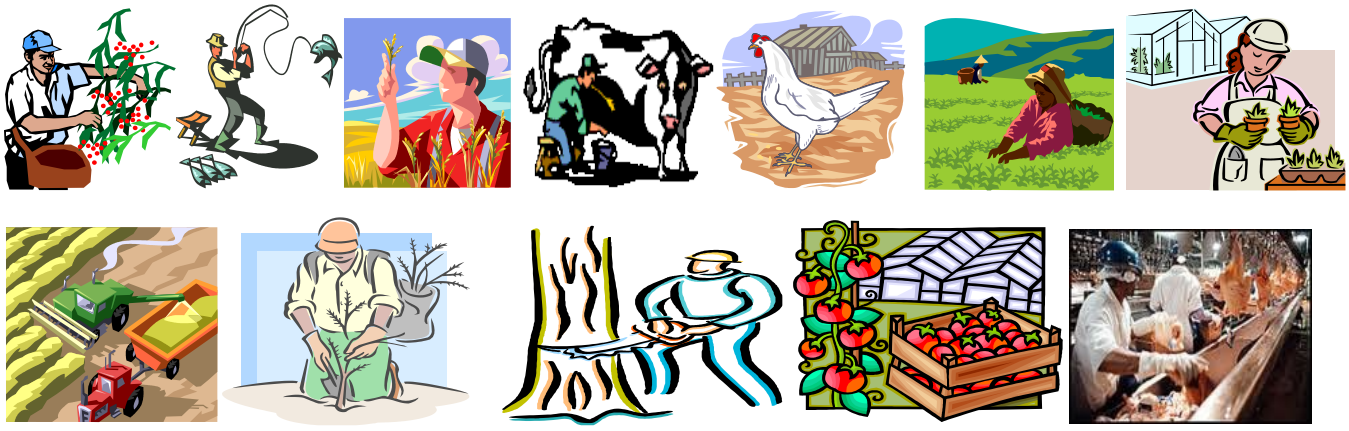
OFICINA DE IDENTIFICACIÓN Y RECLUTAMIENTO- ENCUESTA PARA PADRES

El programa de Educación para Migrantes (MEP), está autorizado por el Título I, Parte C de la Acta de Educación Elemental y Secundaria (ESEA). EL MEP provee una variedad de servicios educativos para las familias que trabajan en la agricultura, **sin importar su nacionalidad o estado legal**. Este programa **es gratuito** para aquellas familias elegibles y puede incluir servicios de tutorías, elegibilidad de almuerzo gratuito en la escuela, excursiones, programa de verano, actividades de envolvimiento para padres, programa de emergencias y referidos a otras organizaciones o agencias.

Por favor tome unos minutos para completar este cuestionario.

¿Usted o algún miembro de su familia ha trabajado o buscado trabajo en algunas de las siguientes ocupaciones en los pasados 3 años?

- ☐ Cualquier trabajo agrícola (como plantando, seleccionando, o cosechando frutas o vegetales, cultivando o cortando flores o árboles, trabajo en lechería u otro rancho de animales, pescando, etc.)
- ☐ Trabajando en la cultivación o procesamiento de los árboles.
- ☐ Trabajando en una planta de procesamiento, empacando, lavando o cortando vegetales, frutas o carnes.



Si usted contestó que sí, por favor complete la siguiente información:

I understand that the provisions of false information on this residency form could constitute a crime. I understand that the District reserves its right to recover from parents, persons in parental relations or other responsible parties the entire actual cost of educating a student (as established by the New York State Education Department), plus related costs, for the entire period that any non-resident student is enrolled in the District's schools without authorization and/or under false pretenses.

I hereby certify that the student listed on this residency form actually resides at the address specified above, within the West Seneca Central School District boundaries. I further certify that all information I provided on this residency form is true and correct. I understand that I must immediately notify the District if the residency of the student changes from the address listed on this form.

NEW YORK STATE GUIDELINES FOR ADMINISTRATION OF MEDICATION IN A SCHOOL SETTING

School nurses, principals and other school personnel are often asked to dispense internal medication to school children. Internal medication can only be dispensed under the following policy:

1. **A written request from the parent/guardian.**
2. **A written request from the physician, which indicates the frequency and the dosage of the prescribed medication.**
3. **The medication is to be brought in the prescribed-labeled bottle by an adult to the office.**

Please do not send aspirin, cold pills, cough drops, inhalers etc. to school with your child. The dangers of this practice are possible choking and consumption of medication by another student resulting in serious consequences.

As stated above, medication will only be dispensed under the described conditions and this will be strictly adhered to within the school setting.

Please keep a copy of this notice for your records and forward the attached form to the school nurse.

Health Services Information For Parents

HS82a - 6/18

Physical Exams: Physical examinations are required for students in Universal Pre-K or Kindergarten, grades 1st, 3rd, 5th, 7th, 9th, 11th and any student new to the West Seneca Central School District. Students classified with disabilities will need a physical exam every three years. School physicals will be scheduled unless the student returns a physical exam form from their own physician.

Dental Certificates: Students requiring physical exams are also required to have dental exam certificates completed by a licensed dentist. See the above Physical Exams for grades required.

Preventative Screening: During the school year students are screened for possible difficulties in the following areas:

A) Vision • New students and grades UPK or K, 1, 3, 5, 7, and 11th

B) Hearing • New students and grades UPK or K, 1, 3, 5, 7, 11th

C) Postural Defects - Scoliosis • Grades 5-9th

Notification of Defects to the Parents: Parents are notified of health concerns found in all health appraisals and failure on vision, hearing and scoliosis screening by phone and paper referral sent home with your child. This notification should be returned as soon as possible stating the action taken by the medical examiner. The Health Office Staff welcomes information relative to your child's health. We are willing to assist you in referrals for health care, health education and health insurance.

Continuous Health Records: Please assist us in keeping your child's health record up-to-date by notifying the health office of any new physical condition, treatments, or immunizations for your child.

Notification: Parent's will be notified of serious injury or illness. Parents are responsible for the transportation of ill children to home. Emergency phone numbers and details will be obtained from the student's emergency information sheet. **PLEASE NOTIFY THE SCHOOL OF ANY CHANGES IN YOUR WORK, CELL, OR HOME PHONE NUMBERS**. If the parents are unable to be reached, the emergency contact sheet should reflect who is allowed to pick your child up if we are unable to reach you. Please make sure that these adults as listed HAVE ACCESS TO A CAR AND ARE AVAILABLE DURING SCHOOL HOURS.

Attendance: Please encourage regular school attendance as each day adds a step in his/her total development. However, please keep your child home if he/she shows any suspicious symptoms such as: sore throat, rash, colds, persistent cough, fever (anything over 100 degrees), "weepy lesions", inflamed eyes or symptoms of a contagious disease. Please call the school if your child is absent.

Medication Policy: If it is necessary for your child to take medication during school hours, New York State Law requires **a written NOTE FROM THE PARENT, and a written NOTE FROM THE DOCTOR**. The supply of medications must be **brought to the Health Office BY AN ADULT IN THE PHARMACY CONTAINER**. This law applies to all medications including INHALERS, PAIN MEDICATION, COUGH DROPS, AND ALL OVER THE COUNTER MEDICATION. Students who are self-directed for their medication administration must have medical provider and parental written permission and must see the nurse at the beginning of the year to review technique regarding proper handling of the medication. Also per the law (1999), for self-directed students, parents are encouraged to ask the pharmacist for an additional labeled container to be used for medications that must be given during field trips. For students who are not self directed, parents/guardians may attend the activity and administer the medication. The parent may personally request another adult who is not employed by the district to voluntarily administer the medication and inform the school in writing of such request. The student's health care provider can be consulted who may order the medication time to be adjusted or the dose eliminated. If no other alternatives can be found the medication will be administered by a licensed professional employed by the district. Forms for medication administration (parent, medical provider and self-directed) may be obtained from the Health Office.

Physical Education Program: Please inform the school if your child is unable to participate in a full physical education program (gym and swim). New York State Law requires a DOCTOR'S WRITTEN STATEMENT if a child is to be excluded from physical education for a length of time (i.e. over 1 week). A doctor's permission is required for complete re-entry into the physical education program after a serious illness, sutures, surgery, fractures or other injuries. Physical Education is a **REQUIRED** course to graduate. If your child has medical/physical limitations, the physician must complete a Medical Recommendations Form to help design a program to meet your child's individual needs.

Care for Injuries: School authorities may provide emergency care for illness and injuries which occur WHILE THE STUDENT IS IN SCHOOL. Treatment is limited to FIRST AID ONLY. HOME injuries are the responsibility of the parents/guardians.

Sports: If your child wears glasses and will be participating in interscholastic sports, **it is strongly recommended that he/she wear polycarbonate, impact resistant safety lenses or polycarbonate goggles over their eye wear for added protection.** It is also recommended that polycarbonate goggles be worn in addition to contact lenses to protect eyes that are impaired from injury.

If you have any questions regarding the health or health care of your student, feel free to call your School Nurse.

West Seneca Central School District

Administrative Offices• 1397 Orchard Park Rd • West Seneca, New York 14224

Dear Parent(s)/Guardian(s):

This letter is to inform you of our procedure in regards to children who are sick.

If your child is ill, it is often most appropriate to keep him/her home from school. A child who is sick will not be able to perform well in school and is likely to spread the illness to other children and staff. Please make arrangements for childcare ahead of time so you will have a place for your child to stay if he/she is ill.

Our school protocol states that you should not send your child to school if he/she had:

- Fever in the past 24 hours
- Vomiting in the past 24 hours
- Diarrhea in the past 24 hours
- Chills
- Sore throat
- Rash
- Strep Throat - must take an antibiotic for at least 24 hours before returning to school
- Bad cold (upper respiratory infection) with a very runny nose or bad cough especially if it has kept the child awake at night.
- Head lice - must be treated according to the nurse or doctor's instruction and are completely nit (egg) free, before returning to school
- Eye infection - must take an antibiotic for at least 24 hours before returning to school

If your child becomes ill at school and the school nurse feels the child is too sick to benefit from school or is contagious to other children, you will be called to come and take him/her home from school. It is essential that the health office have a phone number where you can be contacted during the day and an emergency number in the event you cannot be reached. Please be sure that arrangements can be made to transport your child home from school and that childcare is available in case of illness. Thank you for your cooperation.

Dear Parent/Guardian:

This letter is to inform you of our procedure regarding children who present with symptoms of COVID-19.

If your child is ill and presents with symptoms of COVID-19 it is necessary to keep him/her home from school. An ill child will not be able to perform well in school and is likely to spread the illness to other children and staff. Please arrange for childcare ahead of time so you will have a place for your child to stay if he/she is ill.

Our school protocol states that you should not send your child to school if he/she had:

- Fever in the past 24 hours
- Cough
- Shortness of breath and/or difficulty breathing without activity
- Fatigue
- Muscle/body aches
- Headache
- Loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea, vomiting or diarrhea

If your child becomes ill at school and presents with COVID-19 symptoms, they may be contagious to other children and staff. You will be called and will be required to take your child home.

It is essential that the health office have a phone number where you can be reached during the day. Also, please provide an emergency contact person and phone number in the event you cannot be reached. Please be sure arrangements can be made to safely transport your child home from school in a timely fashion and that childcare is available.

We recommend that you contact your child's health care provider for further evaluation and care instructions.

Thank you for working with us to keep our children and community safe from COVID-19.

Dear Parents and Person(s) in Parental Relation:

The West Seneca Central School District supports New York State and the recognition of the importance of the importance of medical supervision and the need for annual preventative physical examinations. In addition, the district recognizes the strong connection in academic achievement and physical, emotional, and medical wellness.

PLEASE NOTE:

New York State mandates physical examinations for:

- **Students attending UPK or Kindergarten and Grades 1st, 3rd, 5th, 7th, 9th and 11th**
- **Students transferring into the West Seneca Central District.**
- **Students with disabilities are required to have an examination every three years.**
- **The physical exam must be done within the last 12 months of the student entering school.**
- **Students participating in interscholastic sports require a physical annually.**

Area physicians have designed a universal form to assist in streamlining the physical examination reporting system. ***This universal form will be acceptable for both the mandated physical and sport physical.*** (Forms will be available in the school main and health offices, downloading it from the district website and at most physician offices).

If the physical exam is not completed, the school will work with you to schedule an exam with your own physician or will provide you an opportunity to have your child seen by the District's physician.

The District encourages you to continue good health practices by having your child receive annual preventive physicals and by collaborating with the school Health Office to meet the state mandates. If you should have any questions or concerns, please contact the school Health Office. If at any time you lose your health insurance, contact the School Nurse or Social Worker.

2022-23 School Year
New York State Immunization Requirements for School Entrance/Attendance[1]

NOTES:
Children in a prekindergarten setting should be age-appropriately immunized. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine should be in accordance with the ACIP-recommended immunization schedule for persons 0 through 18 years of age. Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for **each** vaccine. Children who are enrolling in grade-less classes should meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule

Vaccines	Prekindergarten (Day Care, Head Start, Nursery or Pre-k)	Kindergarten and Grades 1, 2, 3, 4 and 5	Grades 6, 7, 8, 9, 10 and 11	Grade 12
Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine (DTaP/DTP/Tdap/Td)[2]	**4 doses**	**5 doses or 4 doses** if the 4th dose was received at 4 years or older or **3 doses** if 7 years or older and the series was started at 1 year or older	**3 doses**	
Tetanus and Diphtheria toxoid-containing vaccine and Pertussis vaccine adolescent booster (Tdap)[3]	**Not applicable**		**1 dose**	
Polio vaccine (IPV/OPV)[4]	**3 doses**	**4 doses or 3 doses** if the 3rd dose was received at 4 years or older		
Measles, Mumps and Rubella vaccine (MMR)[5]	**1 dose**	**2 doses**		
Hepatitis B vaccine[6]	**3 doses**	**3 doses** **or 2 doses** of **adult hepatitis B vaccine** (Recombivax) for children who received the doses at least 4 months apart between the ages of 11 through 15 years		
Varicella (Chickenpox) vaccine[7]	**1 dose**	**2 doses**		
Meningococcal conjugate vaccine (MenACWY)[8]	**Not applicable**		**Grades 7, 8, 9, 10 and 11: 1 dose**	**2 doses or 1 dose** if the dose was received at 16 years or older
Haemophilus influenzae type b conjugate vaccine (Hib)[9]	**1 to 4 doses**	**Not applicable**		
Pneumococcal Conjugate vaccine (PCV)[10]	**1 to 4 doses**	**Not applicable**		

NEW YORK STATE | Department of Health

1. Demonstrated serologic evidence of measles, mumps or rubella antibodies or laboratory confirmation of these diseases is acceptable proof of immunity to these diseases. Serologic tests for polio are acceptable proof of immunity only if the test was performed before September 1, 2019 and all three serotypes were positive. A positive blood test for hepatitis B surface antibody is acceptable proof of immunity to hepatitis B. Demonstrated serologic evidence of varicella antibodies, laboratory confirmation of varicella disease or diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.

2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
   a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at 2 months, 4 months, 6 months and at 15 through 18 months and at 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
   b. If the fourth dose of DTaP was administered at 4 years or older, and at least 6 months after dose 3, the fifth (booster) dose of DTaP vaccine is not required.
   c. For children born before 1/1/2005, only immunity to diphtheria is required and doses of DT and Td can meet this requirement.
   d. Children 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Tdap vaccine as the first dose in the catch-up series; if additional doses are needed, use Td or Tdap vaccine. If the first dose was received before their first birthday, then 4 doses are required, as long as the final dose was received at 4 years or older. If the first dose was received on or after the first birthday, then 3 doses are required, as long as the final dose was received at 4 years or older.

3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) adolescent booster vaccine. (Minimum age for grades 6, 7 and 8: 10 years; minimum age for grades 9 through 12: 7 years)
   a. Students 11 years or older entering grades 6 through 12 are required to have one dose of Tdap.
   b. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series, as described above. In school year 2022-2023, only doses of Tdap given at age 10 years or older will satisfy the Tdap requirement for students in grades 6, 7 and 8; however, doses of Tdap given at age 7 years or older will satisfy the requirement for students in grades 9 through 12.
   c. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.

4. Inactivated polio vaccine (IPV) or oral polio vaccine (OPV). (Minimum age: 6 weeks)
   a. Children starting the series on time should receive a series of IPV at 2 months, 4 months and at 6 through 18 months, and at 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
   b. For students who received their fourth dose before age 4 and prior to August 7, 2010, 4 doses separated by at least 4 weeks is sufficient.
   c. If the third dose of polio vaccine was received at 4 years or older and at least 6 months after the previous dose, the fourth dose of polio vaccine is not required.
   d. For children with a record of OPV, only trivalent OPV (tOPV) counts toward NYS school polio vaccine requirements. Doses of OPV given before April 1, 2016 should be counted unless specifically noted as monovalent, bivalent or as given during a poliovirus immunization campaign. Doses of OPV given on or after April 1, 2016 should not be counted.

5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)
   a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
   b. Measles: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
   c. Mumps: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
   d. Rubella: At least one dose is required for all grades (prekindergarten through 12).

6. Hepatitis B vaccine
   a. Dose 1 may be given at birth or anytime thereafter. Dose 2 must be given at least 4 weeks (28 days) after dose 1. Dose 3 must be at least 8 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than age 24 weeks (when 4 doses are given, substitute “dose 4” for “dose 3” in these calculations).
   b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.

7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)
   a. The first dose of varicella vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
   b. For children younger than 13 years, the recommended minimum interval between doses is 3 months (if the second dose was administered at least 4 weeks after the first dose, it can be accepted as valid); for persons 13 years and older, the minimum interval between doses is 4 weeks.

8. Meningococcal conjugate ACWY vaccine (MenACWY). (Minimum age for grades 7, 8 and 9: 10 years; minimum age for grades 10 through 12: 6 weeks).
   a. One dose of meningococcal conjugate vaccine (Menactra, Menveo or MenQuadfi) is required for students entering grades 7, 8, 9, 10 and 11.
   b. For students in grade 12, if the first dose of meningococcal conjugate vaccine was received at 16 years or older, the second (booster) dose is not required.
   c. The second dose must have been received at 16 years or older. The minimum interval between doses is 8 weeks.

9. Haemophilus influenzae type b (Hib) conjugate vaccine. (Minimum age: 6 weeks)
   a. Children starting the series on time should receive Hib vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.
   b. If 2 doses of vaccine were received before age 12 months, only 3 doses are required with dose 3 at 12 through 15 months and at least 8 weeks after dose 2.
   c. If dose 1 was received at age 12 through 14 months, only 2 doses are required with dose 2 at least 8 weeks after dose 1.
   d. If dose 1 was received at 15 months or older, only 1 dose is required.
   e. Hib vaccine is not required for children 5 years or older.

10. Pneumococcal conjugate vaccine (PCV). (Minimum age: 6 weeks)
    a. Children starting the series on time should receive PCV vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.
    b. Unvaccinated children ages 7 through 11 months are required to receive 2 doses, at least 4 weeks apart, followed by a third dose at 12 through 15 months.
    c. Unvaccinated children ages 12 through 23 months are required to receive 2 doses of vaccine at least 8 weeks apart.
    d. If one dose of vaccine was received at 24 months or older, no further doses are required.
    e. PCV is not required for children 5 years or older.
    f. For further information, refer to the PCV chart available in the School Survey Instruction Booklet at: www.health.ny.gov/prevention/immunization/schools

RECORD OF NEW YORK STATE MANDATED IMMUNIZATIONS

HS 323-2/18

Student Name: _____ Date of Birth: _____

This form MUST be completed by a Medical Provider.

New York State Public Health Law, Section 2164 mandates that no school shall permit any child to attend or be admitted unless the parent provides the school with a certificate of required immunizations. The current NYS immunization schedule can be found at *www.health.ny.gov*. Schools must have in their possession a complete list of your child's immunization record signed by a medical provider.

It is duty of the West Seneca Central School District to enforce the New York State Education Law. In accordance to this law, proof of the mandated immunizations or a note from your medical office indicating the date of a scheduled appointment is required within the time frame listed below.

- Students ***within*** NYS have ***14 days*** to provide a record of mandated immunizations.
- Students ***outside*** NYS have ***30 days*** to provide a record of mandated immunizations.

If you fail to provide this required information, you will receive an exclusion date in writing for your child.

Please contact your school nurse with any questions or concerns.
