

COUNTY OF ERIE

MARK C. POLONCARZ

COUNTY EXECUTIVE

GALE R. BURSTEIN, MD, MPH
COMMISSIONER OF HEALTH

March 11, 2020

To all Erie County Superintendents and Principals:

Due to concerns from the global and U.S. Coronavirus (Covid-19) outbreak, the Erie County Department of Health Commissioner recommends that students, faculty, parents and care-givers limit unnecessary travel at this time. While there are no reported coronavirus cases in Erie County at this time, we believe it is important to act with an abundance of caution to protect our Erie County community. The COVID-19 outbreak and its current unpredictability has led to the decision to limit travel. Our first priority is and always will be the safety of students, faculty, and parents.

Sincerely,
