

West Senior Giving Tree

December 1st-11th

Sponsored by West Senior Key Club

1. Select an ornament from the Giving Tree in the main foyer or see Mrs. Hart in Room 309 to select an ornament.

Each ornament will have the name and age of a child on it.

The ornament may include the child's size if you would like to purchase clothing items.

2. Have fun purchasing an age appropriate gift for the child. Wrap the gift and attach the tag. If you bought more than one gift, please place gifts in a bag and attach the name tag.

3. Return the gift to the Giving Tree in the main foyer or to Room 309 (Mrs. Hart) or Room 246 (Mrs. Barrett) on or before December 11th.

Last year classes, clubs, sports teams, friends & families “adopted” one or two children. Together, they collected money and went shopping for that child. West Seneca students, faculty, and families can make a difference.

**Help make a child's holiday season special!!!
Help us show that West Senior students do care about others!**

Attention Seniors – Class of 2021

You're almost there! It's that time of year; you should be submitting your college applications and supporting information i.e. letters of recommendation, essays etc. (if applicable) to your schools.

- Visit our **Class of 2021 Google Classroom** and continue exploring **Career & College information**.
 - Take virtual tours and get on campus, if possible.
 - Do your best in school and maintain your focus.

Remember to complete the Transcript Request Form (can be found in the Class of 2021 Google Classroom) so your School Counselor knows that you have submitted your application(s). Allow two weeks for forms to be processed. Any applications submitted over the Holidays will not be completed until after we return from break on January 4th.

The FAFSA opened on October 1, 2020. Go to www.fafsa.gov to complete your FAFSA online.

Communicate with your School Counselors via email regarding questions. We are here to help!

Illness? Appointment? **Study Buddy!**

When your child is absent from school he/she misses the equivalent of 2 classes in the block-scheduling format. Students are responsible for material, homework/assignments, tests and quizzes missed when they are absent. Your child should have a “Study Buddy” in each class. Their Study Buddy's name and phone number should be in your child's agenda/planner. In the event your child must be absent from school, they should contact their study buddy for material missed. In the event your child suffers an extended illness, please contact your child's teachers via email. The teachers can arrange to get materials to the office for you to pick up in a long-term illness situation.
