

How to find the app link.

- Open iTunes on your windows computer select Store from the menu bar.
- Search the store for your App. (ex. Brain Pop)

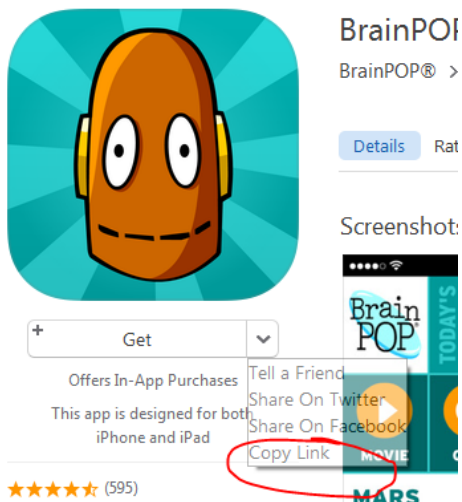

- Once the search is done go to the iPad or iPhone Apps section and find your App. Look first in the iPad App section.

iPad Apps

- Open the App by clicking on the icon.

App Store > Education > BrainPOP®

- Click on the drop down arrow next to the word Get. Then click on Copy Link then paste the link into your request and this will help us make sure we get the correct App.
- Thank you
