

# West Seneca Marching Band 2019 Spring and Summer Schedule

## The Spring Cadets, brought to you by the WSMB...

All current 7th and 8th graders, any interested high school students... This is your opportunity to try and experience marching band (most of it, anyway!). Assisted by all current WSMB students we will rehearse (see schedule below) for the West Seneca Memorial Day parade and ceremony and the West Seneca Community Days Parade.

All West Seneca Bands will perform together at the Memorial Day Parade and Ceremony. All 7th and 8th graders that participate in the Spring Cadets program as listed below are invited and expected to perform. All students grades 9-12 in the East Senior Concert Band, West Senior Concert Band or Wind Ensemble and the 2018 West Seneca Marching Band are automatically part of this special performance.
