Feb. 3- Supply delivery for Remote only students
 Feb. 1 & 5 -School Spirit Day
 Feb. 4-PTA Zoom Meeting - @ 6:30 pm
 Feb 14-19 Winter Recess-NO SCHOOL
 Feb. 22 & 26-School Spirit Day

From the desk of Mrs. McCartan

Dear Families, I want to thank you for all of your help and support as we have transitioned into our new learning model of hybrid/livestreamed instruction.

Last month, you had the opportunity to meet with teachers during conferences. I hope you found your visit both enjoyable and informative. Now more than ever, you play a critical role in your child's education by reinforcing what is being learned in their classroom and connecting that learning to your everyday life with your child(ren).

Let us keep the growth going, with the coordinated efforts between home and school teaching our children how to be responsible and how repeated practice helps us grow. They also need to see how much the adults in their lives value the practice needed to grow as a reader and math students.

Thank you for your continued support at home!

Health Office News

We are continuing to do the Mandated Covid Testing that the district requires and things have been going well.

You will be contacted if your child is selected to be tested ahead of time.

Please remember to wash your hands frequently, wear your mask and social distance.

Happy February Clinton! Here are some ways to help kids cope and stay calm especially with all that goes on in our worlds these days.
