From the desk of Mrs. McCartan

Dear Parents:

Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship are the character traits Clinton Elementary focuses on throughout the school year. Creating a positive learning environment and a "Culture of Kindness" throughout our school is essential for everyone (students, parents, teachers, and staff) to be successful.

Thank you for all you do to support our school and programs. I wish you and your family a very Happy Thanksgiving!

From the Library:

Please don't forget to return your library books so that you can borrow new ones! Our dropbox is just outside of the main doors so that you can drop books off at anytime.

Happy Reading!

Social Worker Scoop

November is typically a month to give thanks and be grateful. It is hard in these difficult times to feel an attitude of gratitude but the power of positive thinking can go a long way. Here are some ways to encourage positive thinking in our kiddos:

1. Be a great role model.
2. Help your child believe that they can be their best.
3. Give them the chance to do what they love.
4. Teach them to problem solve.
5. Surround them and your family with positive people.
6. Ask them about what went well today.
