A Note from Mrs. McCartan:

Trustworthiness, Respect, Responsibility, Fairness, Caring, and Citizenship are the character traits Clinton Elementary focuses on throughout the school year. Creating a positive learning environment and a "Culture of Kindness" throughout our school is essential for everyone (students, parents, teachers, and staff) to be successful.

During October, our building celebrated Character Counts Week by highlighting a character trait each day. Some other events included Character Cinema, Reading Buddies, and a show by Kevin McCarthy.

Throughout the school year, each classroom will review and reinforce the concepts of one of the character traits each month, through activities in their classrooms. Then, every classroom will pick one child who exemplifies that month's character trait. Look for their picture in on the bulletin board outside the office.

Please keep an eye out for specific notes related to the many events which occur in our school each week.

Thank you for all you do to support our school and programs. I wish you and your family a very Happy Thanksgiving!

Mrs. McCartan
