

2020-2021 WSCSD Study Team

Professional Development Proposal

Study Teams are designed to give teachers the opportunity to work collaboratively in a group learning situation in order to gain skills, insights, and strategies that will help each participant meet the needs of students. It is expected that each study team will have a lead facilitator who will be eligible for additional ARO credit for organizing the work of the group and acting as a liaison between the group and the Director of Staff Development. All study teams need to be approved in order to be eligible for ARO credit by the Director of Staff Development. Please fill out the form below as it relates to the details of your study team. Remember that all work must be completed by MAY 31.
