

Dear West Seneca families,

We are looking forward to welcoming your child(ren) to school on September 5!

Below are a few important reminders:

Student Schedules will be available in the Portal on 8-29-24 at 4 PM. Please note that any scheduling information available on the App or previously viewed in the portal may have been revised. We will make every effort to avoid changes after today, but sometimes it is unavoidable. **Please revisit the portal the day before school starts to ensure there have been no changes.**

Student Passwords for the 24-25 school year are available in the Parent Portal. Students will use this password for the entire school year. If students require assistance with login, please contact our Chromebook Helpline at (716) 677-3848.
