West Seneca School District announces Dr. Lisa Krueger as the next Superintendent of the West Seneca Schools.

The West Seneca School Board is pleased to announce and welcome Dr. Lisa Krueger as the next Superintendent of the West Seneca School District. Dr. Krueger was appointed at a specially scheduled meeting of the Board of Education on Monday, April 15, 2024.

Dr. Krueger currently serves as the Superintendent of the Newfane Central School District. Dr. Krueger launched her career in education in 2001 as an elementary teacher in the Lancaster School District before joining the Orchard Park Schools as the Principal of Eggert Road Elementary School in 2004. She led Eggert Road for eight years prior to her appointment as Orchard Park's Assistant Superintendent for Curriculum, Instruction and Pupil Services in 2012. Dr. Krueger served in that role until last spring when she was appointed to her current position in Newfane.

Dr. Krueger earned credentials as a teacher of Elementary and Mathematics Education at the State University College at Buffalo and Master of Science degrees from Buffalo State in Reading Education and Educational Leadership from Canisius College. Dr. Krueger was awarded her Doctor of Education from D'Youville University in May 2010.

Dr. Krueger is very excited to begin her entry process and begin the work required to help the District build upon an already strong foundation. *"I am truly honored to be leading the West Seneca Central School District and am excited to work with the Board of Education, faculty, staff, students, parents, and the community to collaboratively solve the challenges that lie ahead while enhancing the educational opportunities for our students. I am grateful to the Board for their thorough process, and look forward to working with Dr. Rabey, the Board, and our leadership team to ensure a smooth transition."*

Board President Elizabeth Gates is excited about the opportunities Dr. Krueger's appointment offers for the West Seneca community. *"The Board is delighted to welcome Dr. Krueger to West Seneca as our new Superintendent. She brings a wealth of experience, a strong vision of effective schooling, and a passion for building relationships with students, staff, and the school community. Her knowledge and background will help us strengthen and enhance the great work taking place in our schools today."*

The Board of Education selected Dr. Krueger after a thorough and rigorous selection process culminating in the interview of three finalists last month. Mrs. Gates stated, *“The Board was very pleased with the quality of candidates we considered during the process and impressed with the knowledge, passion, and commitment they brought to the search process. In the end, their talents and achievements made the final decision quite difficult. We are proud of the process that we put into place to make this critical decision and feel that we have a great leader to help us move the district forward.”*

Dr. Krueger is set to assume her duties as Superintendent on July 1, 2024.
