RE: High School Information Night

You are cordially invited to attend the **West Senior High School Information Night** that has been specially designed for our incoming ninth grade students and their parents.

Students, teachers, and counselors all have important roles in working with parents to ensure that a worthwhile high school program is developed. In order to help you become better informed about the process and the opportunities available, an informational meeting will be held in the auditorium at West Senior on Thursday, January 16<sup>th</sup> at 6:15 pm.

Our administrators will review graduation requirements, the 4-year plan and a typical ninth grade block schedule. You will also have an opportunity to tour the building and participate in presentations and exhibits. Members of our **Art, Business, Music and Technology** Departments will discuss and share with you their outstanding programs.
