

Current Trends in Substance Abuse:

Presented by Colleen Babcock of Horizon Health Services

What will you walk away with:

- What are treatment providers seeing
- Street names/terms used to describe substances
- The increase in treatment needs for adolescents and young adults
- Early intervention resources
- Other areas to educate parents and family members of loved ones who may be struggling with mental health or substance use disorders

December 1ST, 2022 at 6:30PM

A VIRTUAL WORKSHOP VIA ZOOM
