The first three weeks of this class will be centered around T-ball where parents and players will work together on drills to learn catching, fielding, throwing, batting, and running bases. The equipment that we use is age-appropriate and ideal for kids to be introduced to the game of T-ball in a safe and fun way. The next three weeks will be centered around Soccer and consist of games and activities that involve running, kicking, balancing, and more. This program is a great way for kids to get exercise, learn new skills, improve motor skills and hand-eye coordination, get adjusted to a team setting, and more. But most of all, it's FUN! Players are required to have a size 3 soccer ball and shinguards, Kids Choice Sports will provide all other equipment. A T-shirt is included in the program fee.
