

Cross Town Cup - 2019-20

The winning team of each East vs. West regular season contest (excluding tournament competition) will receive 1 point for their respective school. If the contest ends in a tie, each team will receive 1/2 point. The total of the points by season will determine the winner for that season. If there is tie for total points, the total number of goals, points, etc. scored during these contest will determine the winner. (note: for cross country the difference in the score is added to the winning school point total)
