

## Information for Parents/Families: Use of Remote Learning Tasks Goals for Learning During Extended Closure

### Students will...

- Review content in most important units of study during the period of extended school closure
- Maintain academic habits and thinking skills
- Work for approximately 80-100 minutes per day dedicating 15-20 minutes per course/content area to maintain their ability to progress towards grade level expectations

### Teachers will...

- Work to sustain student-parent-teacher relationships to the greatest extent possible
- Provide manageable opportunities for students to maintain a learning environment through activities and tasks that review and reinforce previously taught concepts
