

May 1, 2020

Dear Members of the West Seneca School Community,

Today, Governor Cuomo extended our school closure for the remainder of the 2019-2020 school year. We will continue to provide our distance learning program for students for the duration of this closure. As we receive guidance from the State, an official end date for our distance learning program will be announced. Additionally, we will continue with our food distribution and child care programs for the duration of this closure. Plans for students to retrieve remaining personal belongings from schools will be communicated to families in the near future. We wish all of the members of our school community good health and safety in these challenging times.
