Day of week: Monday
Date: March 2\textsuperscript{nd}

What we did in class:
1. I collected the "Chapter 10 Quiz" corrections. Turn yours in if you did them.
2. We finished watching the video on Dogs to learn more about genetics. No work to make up.
3. We spent more time reviewing Punnett Squares. See me if you don't understand how to fill in and interpret Punnett Squares.

What the students had for homework:
1. None!
