

# *This Is How I Shake It Off!* Writing Contest

Taylor Swift uses music to shake off the things people do or say that could have the power to hurt her. We want to hear how **you** shake off the things that get you down in your life.

Have your students write a one-page creative essay or poem about how they shake it off for a chance to win a meeting with Taylor Swift!

Be sure the student's name, teacher's name, and school name, address, and phone number are included on every entry!
