

## Science Absent Work Folder

Day of week: Monday

Date: June 10<sup>th</sup>

### What we did in class:

1. I might have handed back some papers. Check your lab group's folder for them. Be sure to click them into your science binder.
2. We went over the correct answers to the "Chapter 17 Quiz". Get the correct answers.
3. We reviewed the muscular and skeletal systems. You'll need to read about them in the textbook (p. 408-420).
4. Students had time to work on the FER.

### What the students had for homework:

1. FER p. 1-8 due Tuesday
2. "Chapter 17 Quiz" corrections due Wednesday
