

Science Absent Work Folder

Day of week: Friday

Date: June 14th

What we did in class:

1. I might have handed back some papers. Check your lab group's folder for them. Be sure to click them into your science binder.
2. Turn in your science book if you haven't yet. Make sure I record your book number!
3. Students had time to work on the FER or play Science Snakes and Ladders.

What the students had for homework:

1. Study the FER and all of your vocabulary (words #1-170)
