

August 2020

Dear Elementary Students and Families,

Welcome back to school. The first day of school attendance is September 8th.

Expect your child's teacher to reach out to you by phone/email between September 1st - 4th with procedures for starting the school year.

We are still finalizing plans for Chromebook distribution. The district will be sending specific information in an email blast and robo-call. In order to receive this information, make sure your phone numbers and emails are correct and in the Parent Portal. Please continue to check the district web page for updated information.

Your child's teacher for the 2020-2021 school year is:

Kindly,

Mrs. Robyn Brady
Winchester Elementary Principal
