## UPDATE: BREAKFAST AND LUNCH MEALS FOR FREE AND REDUCED CHILDREN

Dear Parents/Guardians,

I would like to give a brief update on our continuing efforts to deliver lunches to all of our free and reduced students. Our students at Northwood and Winchester Elementary are all eligible for free lunch, as these two schools qualify under the community eligible schools program. Students in the same household, but at a another school, within the district, will need to complete a lunch application and qualify for the free/reduced lunches.

We understand some families are having more than one bus deliver lunches to their household, we are working on setting up a more efficient process of routing busses to each household. This will take a bit to implement, so we are asking for your patience during this time, as this is brand new to us.

Here are a few tips to help us all:

- If you would like meals left at the door, please put a note on the door.
- If you prefer, you can leave a cooler at the door with a note also.
- If you wish to opt out of meal delivery, please let the bus driver know, or call 677-3810 to leave a message with the Food Service Department.
- Drop-Off times for the following apartments, beginning Monday, September 14, 2020.

Cambridge Square – 10:30 am - 11:00 am (at the office)

Garden Village – 10:30 am - 11:00 am (at the picnic shelter)

Slate Creek - 10:30 am - 11:00 am (at the playground)

Thank you for your continued patience as we navigate thru this process together. Once all of our adjustments are in place, this will be a great benefit for our students.

Sincerely,

Sue Whalen,  
Food Service Director
