Dear Parents or Guardians,

For many kids, summertime means food, friends and fun. For families who count on school breakfast and lunch, however, the summer months can be stressful and family food budgets have to be stretched even further. Free summer meals, funded by the United States Department of Agriculture, are available to kids and teens ages 18 and younger at sites across the West Seneca School District.

Parents and guardians can pick up meals. Due to Covid-19 restrictions, no meals can be consumed on site. All meals will be cold/frozen. Please refrigerate or freeze foods until they are ready for consumption. Cooking/heating instructions are available on the district website under the Food Service page.
