

East Middle 2023 Grade 6 Summer Reading

In advance, we hope that you will have a wonderful and relaxing summer with your family. As you know, reading is an important part of educational progress and should be maintained throughout the summer months. For that reason, we are encouraging our incoming Grade 6 students to read for pleasure. Below is some helpful information concerning access to East Middle reading resources. Summer reading goals should include selections that offer variety such as different genres (mix it up), are grade level appropriate (offer challenge), sheer quantity (load up on volume), and most importantly, simply reading for pleasure and engagement.
