Becoming a member of the PTL doesn't commit you to anything. The money raised goes right back to the kids for school events, funding field trips and much more!!!

This year we are running a membership drive contest. The class with the most memberships in each grade will receive a popsicle party!! Contest ends September 26th.

Hi Parents!! I'd like to take a moment and introduce myself; My Name is Katie Schueler and I'm excited to be your new PTL president for the 2019-2020 school year. I have two boys, one in third and the other in first grade at Allendale. I'd like to personally reach out to you and invite you to our first meeting in the Library on September 26, at 6:00pm. Come meet our new board and discuss the new year. I truly look forward to seeing you there. Remember to check out our Facebook page, ALLENDALE ELEMENTARY PTL, or the school's webpage to find up to date info about upcoming events. Thanks!!
